

Minutes from 01/11/2014 Meeting of the Old Fire Farts

The meeting was held at The Corner, York City Station 1, the Laurel Fire Company. There were 17 members at breakfast and 15 attended the meeting. Introductions were done with some badgering from everyone particularly the 2 Real Old Farts in their 80's (Kroll and Landis). After getting the meeting back under control, the group decided to open membership until Feb. 8th. If you know anyone who would like to join contact them now and sponsor them. For new prospects, once you have a sponsor, your name is submitted and reviewed for acceptance by the Administrator. You will then receive an e-mail acknowledging your acceptance. In order to join you must have some connection to Emergency Services, Fire, EMS, Dispatcher, Fire Buff or a Collector. You can be retired or still active. Once you are a member you can post to the group.

Meetings will be held in Jan., April, July, and Oct. for 2014. These meetings may vary in date, time, and location. On Saturday April 26th our meeting will begin at 10 AM with a wonderful tour of fire history with a luncheon picnic of Hot Dogs, Chili and beverage. In July we plan to visit PA Pump Primers in Harrisburg where several members will be taking their apparatus.

During the other months a "Bullshit Breakfast" will be held the 2nd Saturday of the months. These will be posted Events on the Facebook Page with times and locations around the County.

Chief Kroll said what was always said at the end of the Laurel meetings, "the rules are now suspended and the meeting is adjourned", so they could now drink beer.
