

THE SMOKE EATER

Old Fire Farts of York County, PA

2nd Quarter Meeting Held

On Wednesday, April 8, 2015 the 2nd Quarter Meeting was held at the Dover Township Fire Department, Station # 9. The meeting was called to order by President Straw followed by the pledge to the flag and a moment of silence for our brothers and sisters who have passed since our last meeting.

The Officers reports follow:

Treasurer Green pasted out our first quarter financial report ending March 31, 2015. We started with no money at all and we had an income of \$1,667.95 and expenses of \$748.00 leaving us a balance of \$919.95.

Secretary Hoover read the minutes of the Annual Meeting in January and with a correction the minutes were approved by the body.

Pres.-Elect. Stauffer reported of the promotional efforts of the group at the SPAAMFAA Winter Meeting in Baltimore and the Mt. Airy Maryland Fire Flea Market.

Members-At-Large had no report.

President Straw reported on his appears before the SPAAMFAA Board concerning our application to become a SPAAMFAA Chapter. Our paperwork for application is in place but the new rule that all our members must all be SPAAMFAA members is a stumbling block.

Committees had no reports. We still need to hold meetings and we have two openings remaining on our Public Relation/Communication Committee. All other Committee positions are filled. If you are an Active Member and would like to serve on the PR/Comm. Committee let President Straw or Secretary Hoover know.

Meeting with SPAAMFAA went well. They recommended that we change our Social Members to Social Associates. That way they are not counted as members and do no need to be SPAAMFAA Members towards our chapter application with them. More discussion by our Board needs to take place on this subject.

Fundraising Committee has been formed

The Old Fire Farts of York County, PA is a fun group to belong to. It doesn't matter if you are an Active or Social member you still need to get involved in our fundraising. We were able to bring a Fire Muster back to York County after a 50 year absence. We gave funds to both Fire Museums in York County. We helped to make the Christmas a little brighter for three first responder families in 2014. All of this took funding and we made it through our first year with help from individuals and businesses within the community.

In order to continue this effort and to expand on it, we organized as an official non-profit organization and can now sponsor our Fire Muster on our own and don't have to beg for support from others to make it happen. Everyone weather Active or Social needs to participate in the events listed to the left.

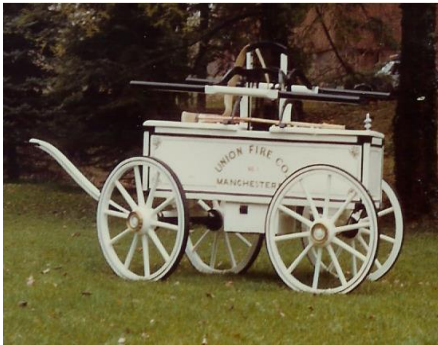

We formed a Fundraising Committee to help with our Fire Muster and Scholarship Fund. Our Fire Muster costs last year were over \$4,000 to hold our event. There were a lot of donations which helped us to achieve our goal of giving money to the two Fire Museums. In 2015 it will be up to us to support our fundraisers to make it happen. We also added our Scholarship Grant which also is supported by our fundraising events.

With that said, when we post an event, please help promote it. Buy a bag of sugar cakes or a couple of sandwiches for the family. Attend the Oyster Feed or sell a few 250 Club tickets to friends. **What we do depends on you.**

- * April -Oyster Feed
- * May & Nov. - Two 250 Clubs
- * June -Chicken Bar-B-Q
- *August – Crab Feed
- *Sept. - Sandwich Sale
- * Oct .- Sugar Cakes & Whoopie Pies
